PLEASE EXCUSE THIS LETTER ADDRESSED TO ALL 3 BUT
WOULD LIKE TO MAIL OUT TODAY- BOOK DRAFTS ARE FINISHED

THE 2ND EDITION WILL RETAIN THE BASIC FORMAT
OF THE FIRST EDITION WITH THE MAJOR CHANGES BEING A
CONDITION CENSUS, BETTER PHOTOS FOR A NUMBER OF VARIETIES, MORE
PHOTOS OF DIE STATES. THE "OTHER HALF CENTS" CHAPTER HAS BEEN
COMPLETELY REWRITTEN AND IS ENCLOSED

ALSO I HAVE ADDED A SECTION ON "A SHORT HISTORY OF
HALF CENT COLLECTING" WHICH IS ENCLOSED.

I WOULD APPRECIATE COMMENT ON THESE SECTIONS I TENTATIVELY
PLAN TO RELEASE THE BOOK IN DECEMBER.

RUMOR HAS IT THAT OTHERS ARE WORKING ON A SIMILAR
WORK. I DO NOT MIND SHARING MY OBSERVATIONS BUT I WOULD
APPRECIATE SOME SHARING BY THE OTHERS BEFORE MAKING ANYTHING
AVAILABLE TO THEM. NUMISMATICS CAN ONLY BENEFIT BY
SUCH A TURN OF EVENTS

the view of what Eric said and what I have written about the 1852 "ORIGINAL" my current theory would be to eliminate this item thus all 1852's are restrike will also require renumbering 1854 Proof to PO-11 also some reworking as to TEXT. What are your thoughts?

Note that 1849 Second Restrike is not listed

This is what Empire had to say.

E-115. Small date. Second restrike. One reported by Walter Breen. We have never seen this coin.

No specimens have ever been mentioned in catalogs or auction sales. However since the designation into First + Second restrike was only made in 1953 - more time may be necessary to determine whether they exist. The one mentioned in Empire catalogue must be discounted I don't have Walter's proof book but it seems it's not listed which would contradict Empire which was Walter's work basically.

Dear Tett,

In regard to myself and Julie Fisher visit to ST Louis we plan to arrive at 10:30 AM on 11/7 Flight 421 on US^(US 6000) AIR. We plan to leave on 11/8 at 10:30 AM. So we will have 24 hours to photograph the 30 Cars which I've attached a list of. Knowing myself and how I like to talk I think it may take as long as 4 Hours.

We will stay where ever you can get us a Hotel reservation. I assume that the photos should be made where Parkway can be obtained. A Hotel room should be fine.

the If you will call me as to where we can make the trip from the airport on Saturday and to it on Sunday. You might give me a call so we can get organized.

Spent all day yesterday getting photos made. Will have some prints of Bareford's cars for you to see. They are from William, Anderson-Dupont & Halley or Ryden Sales. Bill Bareford purchased these by having ~~his~~ his local bill for him. While not extensive the quality is superb.

Dear Ted,

Enclosed is the Data sheet on the Photographs used for the Second Edition. This indicated your Coin with RT.

I would like this to go out with ^{the 20} presentation copies of the book. However knowing your desire I would like the following:

① An indicator of what you want to be put in the present owner column. Or if you prefer I can leave it blank. The list is in Pencil so crossing is no problem.

② Or if you prefer I will not send this out. I do think that many years from now this type of information would be wanted by our successors to ownership.

③ Even if this is not sent out could you fill in any of the chain of ownership on your Coins?

I have NOT sent this list to anyone else nor do I plan to until I hear from you.

The Presentation Copies are as follows:

9 - listed on sheet

1 - You

4 - Norman Stack, W.K. Baymond, Joe Kane, Del Blom

1 - Ernest Montgomery

15

5 - Not assigned

20

The basis of this has been Help with the book
in many ways its been a very hard decision.

It was good talking to you last night - I sure
am interested in what my opposition is up to. I
think its interesting that they want to photo Gene
Pain after Jack Collins offered to do so for
\$5,000 at the EAC Meeting in Dallas. Perhaps you
have a little leverage.

Sincerely

Ragen

N.B. The thought has occurred to me that I
^{could}
~~should~~ Paste into presentation copies the actual photographic
prints used for the book - would make presentation
copies unique - what do you think?

Dear Lett

The attached list is somewhat self explanatory however the Present owners and Chain of ownership need explanation in a few cases

PRESENT OWNERS

DPC - DEBORAH P COHEN
WB - WILLIAM BARRETT
RSC - ROGER S. COHEN JR.
WW - WILLIAM WEBER
B.T - B TETTENHORST
UND - OWNERS WHO PREFER TO BE UNDISCLOSED
(Nothing I could do would convince them to
be identified)
SU - SAM UNGAR
JRM - JAMES R. MCGUIHAN
RG - RICHARD GROSS
JB. - JACK BEYMER
MW - MID-WESTERN COLLECTION
JR - JULES REIVER

The Section on Chain of ownership indicates the source of the previous owner and any other known data. The date are the date of acquisition by the present owner if known - If there is nothing, then the present owner does not recall who from or when the coin was acquired. I have listed known Major collectors in the same way as in the Glossary of Photographic Captions in the book. If anyone has any questions or needs clarification please write or phone me.

This list is being sent to those persons who are listed under present owners and to no others.

As always any further information you may have will be appreciated

Sincerely
Roger
